SIC

Cybersecurity, information security and privacy

ABOUT US

SIC Cybersecurity, information security and privacy is, since 1992, the information security and IT systems security widest read magazine in Spain. Directed to CISOs, CIOs and other information security manager profiles, this **Ediciones CODA** publication serves as a cohesion tool for its professional readers in Spanish.

The magazine contents are focused on cybersecurity and risk management from the technical, organizational and regulations perspectives.

Moreover, Ediciones CODA promotes and organizes other specialized events like **Securmática**, **Respuestas SIC**, **Espacio tiSEC**, **Tendencias SIC** and **IdentiSIC**, likewise **ÁgoraSIC** Cybersecurity Knowledge Center.
